

DORBA Vision Statement

The Dallas Off-Road Bicycle Association seeks to be at the forefront of promoting the sport of mountain biking, land access, and advocacy for the North Texas area, and serve as a model of leadership for other cycling organizations.

DORBA Mission Statement

DORBA will seek to accomplish its Vision through:

- Cycling education programs that advance a cyclist's knowledge and skill level in a fun and encouraging atmosphere;
- Non-competitive cycling events that foster a sense of fellowship and camaraderie that appeals to the diversity that is found within mountain biking community;
- Supporting and advocating for local competitive cycling events that cater to XC, endurance, and racers of all racing skill levels;
- Adherence to national IMBA guidelines for trail development and other insurance requirements;
- Open, direct, and legal partnerships with land managers that can serve as models for new trails.
